CUURICULUM POLICIES & FINANCIAL INFORMATION

FEES PER STUDENT INCLUDE: Curriculum, tax, & service. ACE Curriculum is our preferred curriculum of choice and will be prescribed, unless you choose otherwise. You may choose to substitute some ACE subjects with one, two, or three Non-ACE subjects (see options on other side of this form). This will be the maximum we will allow you to use to replace the ACE Curriculum. Your other subjects will be in ACE Curriculum. 1st graders are in five subjects in ACE Curriculum, 2nd through 6th graders are in six subjects, 7th and 8th are in five subjects, and 9th through 12th are in six subjects of ACE Curriculum per year. All curriculum choices, other than ACE Curriculum, must be discussed with us first. For new students, diagnostic placement testing must be completed before making a final decision.

IMPORTANT: After you have received your first set of curriculum, all curriculum decisions are FINAL. You must complete that years prescribed curriculum before making changes. No switching to some other curriculum part way through the year. Changes are difficult on students, so choose wisely when making a decision on which curriculum to use.

The Non-Ace Curriculum that you will be able to choose from in place of the regular ACE Curriculum will be:

Alpha Omega LIFEPACs : Worktexts for 1st -12th grades in Math, Language Arts, History, Science, Bible, and Electives.

Switched-On-School House : Computer based for 3rd through 12th grades, & high school electives.

Horizons Math : Textbooks for 1st through 6th grades, an advanced math.

Saxon Math : Textbooks for 4th through 12th grade.

Apologia Science Courses : Textbooks for 7th through 12th grades.

Power-Glide Foreign Language Courses: CD Audio & Textbook Curriculum for High School in Spanish, French, and German.

BJU Press: 1st through 12th grades, but at an extra cost above our stated fees. The extra cost depends on grade and subject.

Note: All Score Keys, Teacher Guides, and Resource Books must be returned. They are on a loan basis and are property of CCA.
